

Two views of a wooden USB drive. The drive is shaped like a horseshoe and has the word "moon" engraved on its side. It features a circular hole on one end and a small rectangular slot on the other. The top surface is a darker wood color, while the sides and bottom are a lighter wood color.

Diagram illustrating five types of roof profiles:

- V90° - 175°
- 166 Flat
- Concave
- Convex
- Lining
